# About the survey

During November 2022, we carried out the third of four surveys that will take place during 2022-23, to find out how happy our customers are with the way Cottsway delivers key services and maintains their homes.

This survey is designed to be a snapshot and customers are chosen at random to take part. The surveys are anonymous and carried out by an independent market research company – Acuity Research and Practice.

The survey was carried out by phone and a total of 251 customers took part out of a possible 4,305. The aim to is complete around 1,000 interviews a year.

This report contains key results from the survey in respect of customers' opinions about their homes and the services they receive.
